PLAYING RULES - FOURSOME

Format is a four person "Team Shamble" (take team's best drive and each person plays their own ball through the green.) Your score will be the low two scores from your group per hole. In order to keep play moving, the maximum score you can take will be double bogie (2 over). If a golfer reaches that point early, they pick up. Women will play from the Forward tee markers. Men will play from the White tee markers. This tournament has been declared a "Mulligan Free" zone. No Mulligans are to be used.

Immediately turn your score cards in after your round. The "Top 3 Teams" based on gross score will have a "One Hole Playoff" on number 18 to determine the tournament champions. Any ties from the playoff will be decided by the gross score from the first 18 holes.

* All players must have soft spikes.

EVENTS:

Putting Contest • Closest To The Hole
Long Drive • Accurate Drive • Hole-In-One
